

Dear Prospective Sponsor and Local Business,

On behalf of The Cleveland Barons Elite Hockey Development Program, we ask that you consider making a donation in the form of Sponsorship for the 2026-2027 season.

The Cleveland Barons Elite Development Program was established in 1993 and offers youth ice hockey teams at the Tier 1 and Tier 2 levels, ages 8 to 18. Since its establishment, the Cleveland Barons Elite Development Program has become the largest youth ice hockey program in Northeast Ohio and has developed some of the top hockey talent in the country with over 184 NCAA Division I Alumni, players in the Ontario Hockey League and 22 NHL Draft Picks.

Despite our accomplishments, ice hockey is a very expensive sport; the team and program are funded solely by the parents of the players, which makes funding extras difficult. Are you asking yourself what you can do? This is where YOU can help make a difference. A sponsorship on your part, which is entirely tax-deductible due to the program's status as a non-profit organization, will have an immeasurable impact on our players.

Now that you have had a chance to learn a little more about our program, we hope you will join us in supporting the development of youth ice hockey players in Northeast Ohio. Please contact me directly (Sean Evans) at 440-342-9072 or seanevansghl@yahoo.com Thank you for your time and consideration! Checks need to be made out to **OHIO JUNIOR HOCKEY**.
